BADA MICRO THINLINE®

All Bada Micro Thinline weights have the famous safety grip-clip with sharp tooth for extra holding power.

note: A B C type weights are especially adapted for use with the Bada #M-60 wheel balancing system.

BADA

M-60 Wheel Balancer

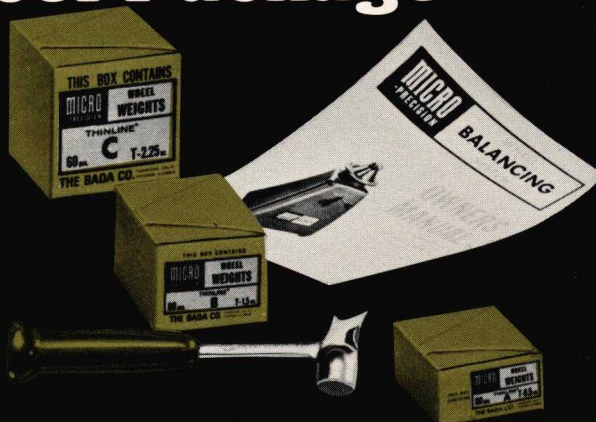

Check These M-60 Balancer Features

- Optically correct balance indicator. Permanently sealed — never needs adjustment.
- Heavily chromed centering head. More accurately made than any other.
- Automatic "OFF". Balancer returns to safety "off" position when wheel is removed.
- Hammertone Gold and chrome trim over heavy gauge steel.
- Triangle cabinet, adjustable legs, maximum stability.
- Unmatched sensitivity and accuracy. GUARANTEED ONE YEAR.
